Silent Auction Catalog

Recycled Runway, The ARTS Council of the Southern Finger Lakes’ signature fundraiser, features fabulous couture and costumes fashioned from recycled materials. The evening begins with a silent auction featuring artwork from some of the region's most sought-after visual artists, gift baskets from local businesses, exclusive experience packages and more. Take look at what we have to offer!

Bidding commences at 7:00 pm and will close when the runway show begins at 8:30 pm.

All items will have a minimum bid and a bid increment specified on the bid card. Bids that do not meet this increment will be disregarded.

Winners will be announced immediately following the show. A sign with the winners’ names will also be posted at the checkout table. Items will be packed and ready to go upon payment. Cash, checks and credit cards will be accepted.

If you bid, please do not leave before checking to see if you have won. It’s much easier for everyone if our items go to their new homes the evening of the event.

If you would like more information about anything you see here, contact Christina Johnson at christina@earts.org.

Special thanks to the artists, businesses and friends who have contributed to the auction.

Bid early and bid often!
