2020 QuickARTS Grant Guidelines – COVID-19 Update

About

QuickARTS grants provide up to $500 for short-term community focused arts and cultural projects that help make arts and culture accessible to Chemung, Schuyler, and Steuben county residents. QuickARTS grants are administered by The ARTS Council of the Southern Finger Lakes with funding from the Community Foundation of Elmira-Corning and the Finger Lakes.

Applicant Eligibility

Organizations, individuals, businesses, community groups, and towns in Chemung, Schuyler, and Steuben counties may apply.

Non-profit status is not required. Individuals must be 18 years or older.

Previous ARTS Council grant recipients who have not fulfilled prior grant agreements are not eligible.

Project Eligibility

The following is an example of projects eligible to be funded by this grant program:

- Workshops, exhibits, readings, performances, festivals, concerts, screenings, and more

The specific list of eligible activities is purposely left flexible to respond to community needs, however, a project’s primary purpose must be arts and/or cultural related.

Projects can be delivered online, in small groups, and other means that are not traditionally accessible to the general public because of COVID-19 restrictions. However, applicants should still aim to deliver as impactful a project as possible to the community they serve.

The following projects cannot be supported by QuickARTS funding:

- Projects whose sole purpose is fundraising
- Scholarships, fellowships, awards
- Projects that take place before the application submission
- Projects that already receive funding from The ARTS Council and/or Community Foundation.
Please contact the Grants Manager to find out if your project is eligible for funding.

Please note, while multiple applications are allowed, the maximum dollar amount any one applicant can request per round is $800.
