About

Community Arts grants support public facing arts and cultural activities of artists and organizations in service to residents in Cattaraugus, Chemung, Schuyler, Steuben, and Tioga counties. These activities increase the value of the arts as an integral part of the community and make the arts accessible to all. These grants are made possible with public, State Community Regrant (SCR) funds from the New York State Council on the ARTS (NYSCA), a state agency, and administered locally by The ARTS Council of the Southern Finger Lakes (The ARTS Council).

Grant Criteria

Grants are awarded based upon the following criteria:

- Artistic and/or Cultural and Programmatic Merit
- Community Benefit & Accessibility
- Managerial & Fiscal Competence

Priority is given to the following:

- Projects that pay artistic fees
- Projects that advance diversity, equity, and inclusion
- Clear, concise, and complete applications

Programmatic quality is valued over participant quantity.

Grant Amount & Funding Eligibility

Grants range from \$500 to \$5,000.

Applicants may submit up to three (3) funding requests in any combination of Community Arts, Teaching Artist, and Individual Artist grants totaling no more than \$5,000. There is no required match.

See addendum for more details on funding eligibility.

Applicant Eligibility

The following applicants residing in Cattaraugus, Chemung, Steuben, Schuyler, or Tioga county are eligible to apply for this grant program:

- Nonprofit organization or unit of local government

- Individual artist(s) or non-incorporated organizations applying through a fiscal sponsoring nonprofit organization or with a community-based nonprofit partner

A community-based nonprofit partner is required to provide a letter of commitment outlining the scope of the partnership and each partner's investment (in-kind and/or cash) towards the project. In this case, the applicant will be responsible for receiving award funds. Fiscal sponsors must meet the same basic eligibility requirements as non-profit applicants and will be responsible for receiving and distributing award funds to their sponsored organization.

Fiscal sponsors and community partners must be located in the county where the activity is taking place. A direct applicant to NYSCA cannot serve as a community partner or fiscal sponsor, however, a direct applicant to NYSCA can support the project as long as no financial benefit comes to them. A fiscal sponsor can also apply for a Community Arts grant. See addendum for more details on applicant eligibility.

Project Eligibility

Community focused, in-person and virtual, arts and cultural activities occurring during the 2022 calendar year are eligible. Examples of previously funded projects include public art installations, workshops, musical and theatrical productions, poetry readings, folk art workshops, and more. Audience sizes can be limited in scope to meet New York State COVID-19 guidelines.

NYSCA applicants may offer their venue gratis, handle ticketing, and provide other support for the project, however projects cannot financially benefit direct NYSCA applicants. The project also cannot be advertised as part of the NYSCA applicant's official season/programming and must clearly use the provided credit language indicating that it is a SCR funded project.

See addendum for more details on project eligibility.

Application Process and Deadline

The application deadline is 11:59pm on Friday, December 10, 2021. Applications are submitted online through our online application system at <https://earts.submittable.com/submit>.

The completed application consists of the following:

- Applicant Information
- Project Information
- Budget Information & Budget Form
- Letter of Partnership (if applicable)
- Artist(s) Resume, Bio, or CV (typed in narrative form or attached)
- Artistic Work Samples
- Marketing Materials

Suggested information to include in the narrative questions is found in the application.

Review Process

A grant panel consisting of community members evaluates each application in the context of the evaluation criteria and available funding and evaluated competitively against other requests. A separate panel process will convene solely for Cattaraugus County applicants.

Based on these evaluations, The ARTS Council will assign an applicable dollar amount. The ARTS Council, however, does not make any evaluative decisions or make recommendations to the grant panel.

When considering applications from previously funded applicants, upon request, panelists will be furnished historical record.

Prior support does not imply or guarantee that an application will be funded. Additionally, assistance or recommendations made to an applicant doesn't guarantee funding and may not reflect the panel's decisions.

The ARTS Council's Board of Directors will preview panel decisions but cannot change the decisions.

Application Assistance

All applicants are encouraged to discuss their projects with the Grants Manager before submitting their applications. The Grants Manager will also conduct a series of grant information sessions, including creating support videos, covering a variety of topics. Applicants are strongly encouraged to attend one or more of these sessions. The schedule can be found on our website.

It's highly recommended that applicants take the opportunity to submit an application draft via email at least 1 week before the deadline. Application drafts will be reviewed for clarity and with an eye towards the evaluative criteria, not for copyediting and rewriting. Please note the recommendations of the Grants Manager may not align with the grant panelists. The Grants Manager will not have time to look at last minute drafts.

At the request of an applicant, the Grants Manager can make requested changes to an applicant's submitted application up until the deadline. After the deadline, no changes can be made. The Grants Manager will not review submitted applications for completeness.

Contact the Grants Manager at chris@eARTS.org or 607-962-1332 x205 for more assistance.

Award Notification & Distribution of Funds

Funding is subject to the availability of funds from the New York State Council on the Arts. All applicants will receive award notification and feedback via email by the end of January, 2022. Successful applicants will receive their funds once a signed acceptance agreement is returned. Email is preferred.
