- Entertainment costs for receptions, openings, and fundraising benefits/events

SELECT CATEGORY

Use the drop down to select the category you are applying to – either Folk and Traditional Arts Apprenticeships, Rehearsal and Studio Space for Performing Arts or Performing Arts Residencies.

FOLK AND TRADITIONAL ARTS APPRENTICESHIPS

Folk arts traditionally are transmitted from elders to younger generations in the same distinctive ethnic, regional, occupational, or religious community. Where the chain of transmission is no longer as strong as it once was, apprenticeships can stimulate the continuity of these traditional arts. *Folk and Traditional Arts Apprenticeships* provide individuals experienced in a folk art with opportunities to study with master folk artists from their own community. Priority is given to apprenticeships involving the transmission of traditions no longer widely practiced. Both the master and apprentice are expected to develop a study plan, which includes a series of lessons and the skills to be mastered during the one-year apprenticeship. Support is awarded to both the master and the apprentice.

Funding Amounts: Awards will be \$10,000

NAME OF FOLK ARTISTS AND APPRENTICES

Q+A Period

NYSCA will post answers to key pertinent questions as received at the following URL up until two weeks before the applicable application deadline. The FAQ document will specify the date of the last revision at the top of the relevant question and will be posted here at: <https://arts.ny.gov/FAQforApplicants>.

Grant Amounts

NYSCA’s overall funding is determined annually during the New York State’s budgeting process and approved by the New York State Legislature. Previous grant funding from NYSCA does not guarantee support in any succeeding year, and past grant funding amounts are not indicative of future funding levels. Multi-year grants are subject to adjustment by NYSCA each year.

Review the applicable FY2024 Funding Opportunity Guidelines for more information on specific award level ranges. For example, all Support for Artists grants are expected to be \$10,000. Actual award amounts could vary depending on the volume and nature of applications received. Review FY2024 Funding Opportunities [here](#).

Grant Eligibility Requirements

To be eligible you must:

- Be Registered and Prequalified in the New York State Grants Gateway at the application deadline. (See the “Register and Prequalify in the Grants Gateway” section below for instructions.)
- Be a non-profit organization either incorporated in or registered with New York State to do business in NYS with a principal location in New York State and recognized as tax-exempt under the Internal Revenue Code Section as a 501(c)3 or a State- or Federally-recognized Native American nation”, or a unit of local or federal government within New York State.
- Have your principal place of business located in New York State.
- NOT be a Limited Liability Corporation (LLC).
- Meet any other eligibility requirements set forth in the applicable FY2024 Funding Opportunity Guidelines. Review FY2024 Funding Opportunities [here](#).

Note: Individuals and unincorporated groups may not apply, but an eligible non-profit organization, known as a fiscal sponsor, may apply on his/her/their behalf in some opportunities. (See section 8 below for more information.)

Grant Period and Multi-Year Grant Awards

We will generally award FY2024 grants for activity that takes place between January 1, 2024 and December 31, 2024. Exceptions are set forth in the applicable FY2024 Funding Opportunity Guidelines. NYSCA awards both single-year and multi-year grants.

NYSCA awards multi-year grants when the panel, staff, and Council of NYSCA agree that a similar level of service or activity will be sustained by the applicant organization over successive years. Multi-year grants represent NYSCA’s agreement to offer successive years of support without requiring a full application and review of the grantee in the succeeding years conditional on NYSCA’s budget appropriation and the applicable contract execution for each successive year. NYSCA reserves the right to change its multi-year grant process during the multi-year period at its discretion, subject to NYSCA’s budget appropriations for the relevant year.

If you have a previously-awarded multi-year grant for FY2024:

You do not need to re-apply to receive the FY2024 grant period award.

NYSCA will send acceptance and contracting instructions in June 2023.

You must be Prequalified in Grants Gateway at the time of payment of a multi-year grant.

Document vaults in modification, review or open status are not considered Prequalified. Units of government and Native nations are exempt from the Prequalification requirement.

You must submit any outstanding, overdue NYSCA final reports.

To be eligible for a new FY2024 Support for Organizations grant, you must decline your previously-awarded General Support, Support for Organizations and/or Project Support grant(s) for the FY2024 grant period before the application deadline for FY2024 Support for Organizations. If you have a previously-awarded General Support, Support for Organizations and/or Project Support grant for FY2024, but prefer to decline those in order to apply for FY2024 NYSCA Support for Organizations, please do the following:

Submit a written notification to the appropriate NYSCA Program staff by the FY2024 application deadline and follow any additional NYSCA instructions issued in June 2023.

Past funding is no guarantee of future funding.

If you do not decline the previously-awarded Support for Organizations and/or Project Support grant(s) by the application deadline, you will not be eligible to submit a new FY2024 Support for Organizations application, and your application for FY2024 Support for Organizations will not be reviewed.

Click here to review the other eligibility requirements in the FY2024 NYSCA Support for Organizations Guidelines, which can be [downloaded here](#).

The Project Support categories subject to the above guidance are:

- Book & Literary Magazine Publication
- Community Music Schools
- Exhibitions & Installations
- Instruction & Training
- Organizational Capacity Building
- Professional Performances
- Project Support
- Project Support - Community-Based Learning
- Project Support - Pre-K-12 In-School Programs
- Project Support - Presentation
- Public Programs
- Services to the Field
- Workspace Facilities

Having an ongoing multi-year grant or being awarded an FY2024 grant does not disqualify an organization from applying for Capital support.

Register and Prequalify in the Grants Gateway

An organization must be “Prequalified” in the New York State Grants Gateway online portal at 4 PM on the application deadline, July 13, 2023, to be eligible for funding.

A webinar on Prequalification can be found [here](#).

New Applicants:

Getting Prequalified is a two-step process.

Step 1: Register

Take the first step now:

Consult [this link](#) to obtain the forms and necessary instructions. Then email all the completed documents listed below to grantsreform@its.ny.gov.

- Notarized Registration Form for Administrators
- A Substitute Form W9
- A current organization chart with the names and titles of those in the organization, and the head of the organization that signs the registration form at the top of the chart

Attachments must be in Microsoft Office compatible form (i.e., Word, Excel, PDF).

Grants Gateway will email you the sign-in instructions and a Grants Gateway Document Vault ID. (Tip: Write down your Vault ID as you will need to submit it in the application portal.) Read the full information at [Grants Management Registration](#).

Step 2: Submit Vault for Review and Prequalify

Log onto https://grantsgateway.ny.gov/IntelliGrants_NYSGG/login2.aspx and create and submit a "Document Vault." Find basic checklists here: www.grantsmanagement.ny.gov/get-prequalified.

You will fill out online forms about your policies and practices and upload key documents. A Prequalification Specialist will review your Vault and either "Prequalify" you or suggest modifications. For questions, contact help@arts.ny.gov.

Returning Applicants:

Your Prequalification Document Vault WILL expire annually and require updates and document uploads. You must maintain prequalified status in order for your application to be considered.

Two weeks before applying for a new grant cycle, log on once a year to recertify your statements and submit your latest filings. Log onto Grants Gateway to check on your Vault expiration date and if you are expired, submit the expired items. Your Vault status, key expiration dates, and notes posted for your review and action can be viewed in the State Prequalification Application Status Report located in the Management Screen section near the bottom of your Document Vault main page.

Document Vaults in 'modification,' 'review' or 'open' status are not considered Prequalified.

You must be logged into Grants Gateway as the Delegated Administrator to upload and save documents and submit your Vault for review. Be sure the Delegated Administrator is available to submit; NYSCA cannot submit Vault materials on your behalf.

NYSCA and Grants Gateway are not likely to resolve any issues by the application deadline in any Vault submitted less than 7 days before an application deadline.

To find your Vault ID for your application,

Log onto Grants Gateway.

Search for your organization on the Document Vault tab.

Click on any section on the Document Vault main page and see Vault ID in green near top.

Format is: GDV-XXX-XXXXX, GDV-XXXX-XXXXX, or GDV-XXXXX-XXXXX (e.g., GDV-COA-55555).

You do not submit any FY2024 grant applications in Grants Gateway.

Fiscal Sponsorships

A Fiscal Sponsor is a non-profit organization incorporated or registered to do business in New York State that applies to NYSCA on behalf of individual artists, unincorporated arts organizations or groups, or semi-autonomous arts organizations housed within a larger institution who cannot directly apply themselves. A fiscal sponsor can also be a State- or Federally-recognized Native nation or a unit of local or federal government. Entities that are LLCs or for-profit corporations, as well as entities that have 501(c)(3) status that would allow them to apply directly are ineligible to be fiscally sponsored.

Individual Artists and unincorporated arts organizations or are not eligible to apply directly to NYSCA. However, unincorporated arts organizations or nonprofits without a 501 (c) status may apply through a Sponsor in our Support for Organizations opportunity, and Individual Artists may apply through a Sponsor for a creative grant in our Support for Artists opportunity.

Unincorporated arts organizations or groups may not apply for Capital funding, even through a fiscal sponsor.

Sponsor:

Submits the application, accepts the fiscal responsibility for a NYSCA-funded project, receives and disburses funds related to the grant, ensures that the project is carried out as described, and submits the final report of grant activity.

The Sponsored Artist/Sponsored Group completes the project activity (the Sponsored Request).

If you are a Sponsor Applying for a Sponsored Organization, you will take these three steps to submit an application:

Step 1: Review the applicable Guidelines listed in section 1 to confirm sponsored requests are accepted in the specific funding opportunity and to review requirements. Make sure you are Prequalified.

Step 2: Send the Guidelines to the Sponsored Organization to complete and return the requested contact information, narrative responses, and support materials. See applicable Guidelines for further instruction. Make sure the Sponsored Organization returns the completed narrative responses and/or support materials to you well before NYSCA's application deadline.

Step 3: Submit the application online for the sponsored request with the completed materials from the

Sponsored Organization.

For Sponsored Requests in FY2024 Support for Organizations, the following requirements apply:

The Sponsor may not impose a fee for submitting a sponsored application but may charge an administration fee if the application is funded -- not to exceed 5% of any actual grant amount. Any fee should be described in the Use of Grants Funds question in the application.

Sponsor must execute a fiscal sponsorship agreement setting forth the services provided by the Sponsor, any fee to the Sponsor, and the responsibilities of the Sponsored Organization relating to the fiscal sponsorship. NYSCA does not require the agreement to be uploaded in the application but may request a copy for review during contracting.

The services of the Sponsor are limited to fiscal management of the grant funds, submission of the application and final report, and, at the discretion of the Fiscal Sponsor, publicizing the activity. Following notification of the funding decision by NYSCA, the Sponsor must notify the Sponsored Organization as soon as possible.

The Sponsored Organization must meet all eligibility requirements of the FY2024 Support for Organizations guidelines (other than the requirement that the Sponsored Organization be Prequalified in the Grants Gateway).

NYSCA reserves the right to review the public financial filings and other information of both Sponsor and Sponsored Organization prior to grant payment pursuant to the NYS Vendor Responsibility process.

Application Review Process

Staff Review

Once an organization submits a request, NYSCA's staff verifies applicant eligibility and priority, and reviews application materials according to the NYSCA requirements set forth above in the applicable Funding Opportunity Guidelines.

Peer Review Panels and the Rating System

Panels are composed of a quorum of at least five panelists and represents a diverse group of professionals from across the State. Each member has relevant and specific expertise.

NYSCA accepts nominations for panelists from the general public. To see a list of recent panelists, visit the funding area pages on the NYSCA website at: <https://arts.ny.gov/funding-areas>.

Each panelist evaluates and numerically rates each request against the criteria in the Funding Opportunity Guidelines. These ratings are then aggregated to one average score for each request. The panels meet, with Program staff present, and have an opportunity to discuss applications. If you are interested in becoming a panelist, click here: <https://arts.ny.gov/panelists>.

Based on the ratings for each opportunity, as well as eligibility and priorities, NYSCA assigns recommended grant amounts. Staff also prepares panel comments and shares key panel comments by phone with applicants after decision if requested.

The Council

Led by the Chair, the Council reviews funding recommendations and votes to approve grants. The Council is the ultimate decision maker and retains the authority to agree or disagree with recommendations and propose new recommendations. Upon Council approval of a grant, Cultural Service Contracts are issued to the organizations approved for funding. Committee and Council meetings are announced in advance and made available to the public on the NYSCA website.

Contacting Panelists and Council Members

In order to ensure fairness in the application review process, applicants are strictly prohibited from contacting panelists and/or Council members associated with and/or involved in the activities or affairs of NYSCA in any way to obtain or share information regarding the NYSCA application review process. This includes all activity associated with NYSCA at its main office, including panel discussions, and all communication with NYSCA staff including via email, telephone, or online system.

All inquiries about awards must be communicated to the NYSCA staff directly.

Transparency

The Freedom of Information Law, N.Y. Public Officers Law §§ 84–90, grants the right of access to many public documents, including those of NYSCA.

Grant Award Notice

You will be notified by e-mail of NYSCA's funding decision within 30 days of the Council's decision. This notification is sent to the e-mail address of the persons then designated as the primary contact on the FY2024 NYSCA Application Portal.

If your organization is awarded a grant: Visit the NYSCA website to find out more information on managing your grant: www.arts.ny.gov/manage-your-grant and <https://arts.ny.gov/FAQforCurrentGrantees>. These pages include links to the standard New York State contracts terms, additional materials for contracts over \$50,000, reporting requirements, crediting NYSCA, and the NYS Vendor Responsibility process. All awards are contingent on your organization's completion of the applicable contracting steps. NYSCA will provide you with instructions by e-mail after you receive an award.

If your organization is not awarded a grant, you may appeal the Council's funding decision.

Dissatisfaction with the denial of a grant or with the amount of the grant is not a valid ground for appeal.

One or more of the following are valid grounds for appeal:

- Non-presentation of information: Information known to the Council staff prior to the Council's decision that was not presented and that might have altered the decision
- Misrepresentation of information: Information known to the Council staff prior to the Council's decision that was changed in its presentation and that, if presented differently, might have altered the decision
- Improper procedure: Contention by the applicant that: 1) the review of the funding request by the appropriate panel was biased; 2) the decision by the Council was arbitrary and capricious

www.arts.ny.gov/sites/default/files/AppealsProcessNYSCA.pdf.

Certification

All applicants will be asked to certify the following before submitting a FY2024 application:

You are authorized on behalf of the applicant and its governing body to submit this application. You further certify that all of the information contained in this Application and in all statements, data and supporting documents which have been made or furnished for the purpose of receiving assistance for the project described in this application, are true, correct and complete to the best of your knowledge and belief. You acknowledge that offering a written instrument knowing that the written instrument contains a false statement or false information, with the intent to defraud the State or any political subdivision, public authority, or public benefit corporation of the State, with the knowledge or belief that it will be filed with or recorded by the State or any political subdivision, public authority or public benefit corporation of the State, constitutes a crime under New York State Law.

If you are incorporated outside of New York State, your principal place of business is within New York State.

The funding being awarded will not duplicate or replace any other funds from federal, State, or municipal funding for the same specific cost type and amount for the same period. You acknowledge that you will have procedures in place to prevent duplication of funds and that funds from NYSCA would need to be repaid if it is determined that our assistance is duplicative.

Your organization is currently Prequalified in the Grants Gateway portal. If not, you will update the documentation in your Grants Gateway vault in order to complete your Prequalification prior to the application deadline for this funding opportunity.

Submitting a timely interim and/or a final report on the usage of grant funds is a requirement of a NYSCA grant. You certify that your organization is current on all grant reports.
